1 December 1964

Post Office Box 8043
Southwest Station
Washington, D.C. 20024

Subject: Additional Quantities of [] Model 405-B STATINTL

Gentlemen,

STATINTL

In accordance with your request, [] is pleased to
quote on additional quantities of 405B Stereo Chip Comparators as follows: STATINTL

Quantity of One

Quantity of Two

These quotations are submitted on a firm fixed price basis with
rates as stated in the enclosed proposal estimate sheets and delivery can
be effected within seven (7) months from the date of go ahead on the first
unit and an additional thirty (30) days for the second unit. The quotations
as submitted herein are not predicated on concurrency with units presently
being fabricated by [] The quotations as submitted herein do
include the changes quoted in [] letters 405B-OD-105, dated 23 July 1964 and 405B-OD-107, dated 27 August 1964. Aside from these changes
the units are as quoted in [] letter 405B-OD-101, dated 11 June 1964. It is also assumed that the changes of the 23 July 1964 and 27 August
1964 letters will have been authorized on the existing contract since the
engineering costs for the changes is not included in this quotation. It is
further requested by [] that progress payments be authorized
in accordance with existing government regulations.

If there are any questions in relation to this quotation, please
contact the undersigned.

Very truly yours,

STATINTL
